

**How will you scale
your DeepTech
Manufacturing?**

Patents2Profits®

Your hardware product is progressing...

- ✓ Your prototype was **approved**
- ✓ You're developing your **MVP**
- ✓ Customers are placing **orders**

Patents2Profits®

...but it's not all going to plan:

- Your design needs more work
- Manufacturing quality is variable
- Compliance is tricky

Patents2Profits®

I can help with your Manufacturing Strategy:

- **Design for manufacture & service**
- **Balance quality and cost**
- **Achieve regulatory compliance**
